

EDUCATION

- **National Institute of Technology, Durgapur** West Bengal, India
Bachelor of Technology – Electronics and Communication Engineering; CGPA: 8.91 2025 – Present
- **Kendriya Vidyalaya Danapur School**
Class XII; Percentage: 93.8%
- **Kendriya Vidyalaya Surendranagar School**
Class X; Percentage: 92.8%

SKILLS SUMMARY

- **Languages:** C++, Python, JavaScript
- **Technical Skills:** Data Structures and Algorithms, Object-Oriented Programming
- **Development Tools:** Git, VS Code
- **Soft Skills:** Problem Solving, Team Leadership, Time Management, Communication

PROJECTS / COMPETITIVE PROGRAMMING

- **Competitive Programming Practice:**
 - Solved **600+** problems on **Codeforces**, **CodeChef**, **AtCoder**, and **CSES**.
 - Strong understanding of **arrays**, **strings**, **greedy**, **binary search**, **graphs**, and **dynamic programming**.
 - Regular contest participation with focus on **speed**, **accuracy**, and **edge-case handling**.
 - Write **optimized C++ solutions** with proper time and space complexity analysis.

ACHIEVEMENTS

- Secured **3rd Rank** in **ICPC Prelims Contest (NIT Durgapur)** with **AIR 342**.
- Achieved **Pupil (max)** rating on **Codeforces**.
- Achieved **3-Star (max)** rating on **CodeChef**.
- Solved **600+** algorithmic problems.
- Demonstrated strong performance in **time-bounded contests**.

POSITION OF RESPONSIBILITY

- **ICPC Prelims Contest Team**
Team Leader
 - Led a **3-member team**.
 - Managed strategy and time under contest pressure.
 - Key role in implementation and debugging.
- **REcursion – Official Programming Community, NIT Durgapur**
Junior Coordinator
 - Organized coding sessions and contests.
 - Mentored juniors in competitive programming.

INTERESTS

- Competitive Programming
- Algorithms and Data Structures
- Web Development
- Artificial Intelligence and Machine Learning
